Pendant Lamp 42257-1 "1516"

The Traditional Family

For the Viennese Beer Pub "1516" we developed this small pendant lamp. There it illuminates the main bar.

The shade is made from copper, inspired by the typical brewer's cauldron. To give the fixture an elaborate allure we also used nickel-plated trimmings and a décor made from polished brass. This was envisioned as homage to Art Deco with the typical cut-out squares.

Used in the sheltered atmosphere of a pub these fixtures illuminate the bar area directly without emanating too much light to the dark surroundings.
