ROMANCED BY CHINTZ

Nothing dowdy here: Cowtan & Tout's "Le Rosier" fabric (opposite) takes a classic floral motif from sort-of-prim to oh-so-pretty (Boston Design Center, 617-449-5501). With the help of a staple gun, it covers an **Oriental Furniture room divider** and serves as muse

to the flowers (\$119, *oriental furniture.com*). The tablescape features silver vessels filled with garden roses, ivy, dahlias, and trailing amaranthus, and the sweet clutch on this page contains ranunculus, scabiosa, clematis vine, and chocolate cosmos.
