

## "NEO" TUMBLERS

← explore by...

**ARTIST(S):**  
**Gamper, Martino**  
 Italy

### SELECTOR STATEMENT

Like his "100 Chairs in 100 Days" project, for which he mixed and matched parts of discarded furniture to create new seating pieces, Martino Gamper cut, engraved, polished, sandblasted, painted, and gilded classic double old-fashioned whiskey tumblers to produce this virtuosic new series.

*-Chen, Aric*
