[Vienna Design Week 2008 Highlights](#)

Posted by: [squee.gee](#) | [Comments \(0\)](#)

[Pure Austrian Design](#) (PAD) have posted a few highlights from this year's [Vienna Design Week](#) which will continue through till Sunday. Taking place in their home city, PAD's contribution was a huge bubble showcasing Austrian furniture in the main courtyard of the MuseumsQuartier. Despite wet weather, the installation was met with enthusiasm from the Viennese public.

Pictured above, the exterior of the Liechtenstein Palace where the [opening party](#) took place, PAD's oversize [bubble](#) at the MQ, Marie Rahm & Monica Singer from [Polka](#), Czech designer [Maxim Velčovský](#) (Qubus design) and new [wine glasses](#) from Polka produced by LOBMEYR Vienna.
