

## THE MONOCLE SHOP

*A collaborative space*

To coincide with Expo 2025 Osaka, there will be a special six-month Austria activation of The Monocle Shop from April. A selection of products from characterful Austrian brands will include a Kalmar table lamp, Lobmeyr's elegant glassware and wool blankets by Lodenwalker, a mill with almost 600 years of heritage. Austrian candles, kitchenware and travel bags will sit alongside Monocle's trademark selection of print, products and collaborations. The Austrian products will be available both in-store at Monocle's Tokyo shop on 1-19-2 Tomigaya, Shibuya-ku and online at [monocle.com/shop](https://monocle.com/shop)
